

2) Bombs—some now that they say they are afraid to experiment with—what will happen when these bombs are released in quantity

People are in sorrow—(spiritual poverty)—Africa sits in darkness... Images of the devil, young man ask if he saw one on the path way would he pick it up, no indeed it is the devil—wrong concept of God....

WHAT IS AHEAD***** only God knows

But God is calling So. Bap. to get in this world wide program of evangelization—The Blessing of our Lord upon us point us in that direction....

Do we think Govts. Have the answer?
NO, the N.T. Church must go out and change the world with the Gospel of Jesus Christ.

We have the men and women—the capacity—potential..

MUST UNDERSTAND N.T. STEWARDSHIP

1934—depression—17¢ of each 1\$ went out from the local church for world program—
1957 prosperity 17¢ is going of 1\$ for world program

If it is right for an (old Mt. neer) to put one dime of every \$ into an old coffee can for God, it is right for you to give 1 di me of every \$ to the Lord through your church.

(The Moody Church) just a glance— I visited that famous Church—located in a rough section of Chicago—they have an Aud. seating 4,000 people (Opra seats.... They have 2,000 members—Large part of their congregation is made up of visitors each sunday.....Now that church has over 100 missionaries out of the field— they have a budget of 365,000..... 1,000\$ \$ per day to operate....

I ask the worker how many of their members were active— a bout 750, now all this money— well when we are save we give— our members are not rich— they are tithers, and most of them give 15 and 20 % to the church of their marnings...

Said to myself (God forgive the members) of So norf. Bap. we have about the same number of members as this great church and we lack 300,000 laying as much in the altar for our Lord— Now I thought what is the difference? Do we love the Lord? Have all of our members been reborn again? Have many who do not know the Lord in the forgiveness of their sin?

I will let you answer that: if God moves your heart begin today to tithe your income.....

THAT THE WORLD MAY KNOW John 17:23

This was the (theme of the So. Bap. Convention in Chicago Illinois this past week.

Traveled on a charatered Plane with othe preachers from Va.....

Takes about 3½ hours from here to that great city... That city would be a good place to launch a world wide program around the world ...

200 White Bapt churches— 6 Million people

77 News paper publications

More Russians live in Chicago then in the city of stallengrad, (Russia)

15 % of the people were born in foreign countries

The (Stock yards) built in 1865 have room for ½ million animals.

(One building has 26,000) people working in it— more the the total population of So. Norf.

Hotel (conrad Hilton) has 3,000 rooms....

(1954 we started So. Bap. work from 6 missions, today we have 54 So. Bap Churches.

There are more (Negros) living in Chicago then in the whole state of Ga.

In one area of (4½ acres) 6,000 people live in apt. houses—There are 6 churches in that area with only 623 members... The opportunity is great

(1,000 new churches) are needed in Chicago now!

People are every where—we made a transfer near the famous lincoln park Zoo and the bus stop was in from of 2 all (allumium and glass apt. building) one building housed 150 families, the other 250 families.... People are everywhere

Jesus said to his (disciples) in the upper room to arise and go—

We ought to do it...

By the H.S. It can be done

We are the people to do it

It muse t be done...

It will be done...

There are (people dying w thout any conforter) to bless them They come and go, children are born and die without christ This ought not to be.

④ Drugs and drinks—low grade—low priced sin of every hand...
Sex, liquor, poverty,

Stained with blood from brawls, profanity, tortured souls
driftwood of humanity

Broken homes, families,

Thank God for PACIFIC GARDEN MISSION founded in
1877, and has not been closed a single night since it was
opened... They are ministering to 200 and average per night.
There are other missions, this is one of the world renowned
missions preaching Christ to these in the flop house of sin.

A large red cross ^{Jesus save} on the front, an additional reminder
of their need of Christ—MOTHER'S PRAYERS HAVE FOLLOWED YOU

Personal workers give out tracts, and invite them in
to a service when singing Gospel hymns, testimonies, and
preaching with and invitation.

I stood behind the pulpit stand which was used by D.L.
moody— and on the front of the stand were the words "Sir
we would see Jesus".....

I thought this was the place where Mel Trotter turned
when he was on his way to suicide in the river... He had gone
to the devil drinking, gambling—driving to a saloon one day
invited every body to have something to drink. Drink up the
horse.. and went away on foot..

For six yrs tried to quit.. A baby was born into his home
but the baby died.... I promised my wife I was going to stop
2 hrs. after the funeral I came home drunk...wandered the
Michigan ave-skid row-slave to drink—decided to end it
all— and stumbled into the door way of Pacific Garden Mission.

Harry Monroe 1892 seeing me placed in a chair he stopped
the service and call the group to prayer—O God save that
poor poor boy—Harry Monroe was 27 yrs. of age in
1880 when he was saved in the same mission—Mel was then 27

Monroe gave his testimony of how he had trod the rough road
but now Christ had forgiven him...gave invitation...

Jesus loves you men in this mission and so do I...He wants
to save you tonight—Put up your hand for prayer and let God
know you want to make room in your heart for him...

Mel. lifted his hand and jumped to his feet and rushed to
the front—monroe led him to Christ—

Instead of the waters of Lake Michigan taking his life
he had tasted of the living water Christ gives....

⑤ James Crane in Mexico—I was in school with him—
Told how their work now was 25% self supporting....

A Man needed a wooden leg— he saved his money, & lie it
by little he gave to his church— and at the end of the yr
he did not have enough to buy his wooden leg—a friend ask
him about it, He said I would rather walk on crutches than for
my church to hobble along..... *said that light world*

How do you feel about your church today—Are you willing
for your church to drag along?

(GO YE THEREFORE***)

We must recommit ourselves to the great commission—personally.

Businesses are reaching out into the world will we let them
outdistance the church?

Christ calls us personally—to do the work of him
that sent us...for the night cometh...

Calls for full and active Obedience....Later than you think.
We know that there is death in delay—people are trying so many
things...

We are so disobedient—Like the boy who went fishing
Sunday AM. instead of going to S.S.—a man met him on the
way home, what did you catch? I don't know I haven't gotten
home yet? Well how old are you— I'm nine but I've had
enough fun to be a hundred.....

Sin this old world is full of sin— we need to reach
out that the world may know.....

In Chicago I went out to see some of the under world
in operation on skid row—

JUST ONE STEP TO HELL***colorless eyed people, empty
tired of life, bums, on the st. cheap hotels, greasy
eating places, taverns, cut rate stores, bar rooms, gloomy dens
paw shops burlesque shows in every block, barkers on the st,
cab drivers working for women of the worst of men and the
worst of women

Old men, young men, lawyers, dr, etc educated,
a seminary of sin...liquor flows freely

Humanity moving up and down the st...giggling gals..
bags of indescribable mention.,
