III. Gives each one a chance to work where  
his influence is greatest.

V. Personal work on a large scale will not  
only build the membership but also build  
the life and power of the church in a  
marvelous way.

1. Gives church power---the church that  
does not have lost people walking  
the Isles has no influence

2. Xtians sit at home today and wait for  
preacher to come to see them when  
they ought to be out visiting... *we have it  
in reverse today - they went apilt, took care of sick,  
orphans.*
