All Saints, New, CMD

Henry S. Cutler, 1824-1902

W. Donald Ambrose

1. Where war demands, where men protest, With turmoil in this life,
2. Brave souls before us stood the test. The issues of their day
3. Christ is the way, the truth, the life: Our fear his strength can solve.

A faith in God will give us strength To witness in the strife.  
 Did but to drive them ever on For Christ in every way.  
 With message clear and orders plain, This must be our resolve:

Where men are dying, lost in sin, Give us the will to do.  
 With problems hard to overcome, And social pressures, too,  
 To tell the people of His love, And His great work renewed.

Give us the faith to venture forth, Oh, Jesus Christ, for You.  
 They had the faith to venture forth, Oh, Jesus Christ, for You.  
 With faithful hearts we venture forth, Oh, Jesus Christ, for You.
