Tonight we are to deal with sin-- S*I*N- Men have been
unpopular because they have preached upon this subject. Men
have been talked about for preaching upon this subject. Men
have been put to death because of it, nailed to a cross,
bruned at the stake, all because of sin.

I dont have any patience for sin- do you? I dont try
to hid any one in sin? I preach on the sins of my congergation
not because I hate my congergation but I hate sin. If ever I
uncover your sin from this sacred desk it is for your benifit

Jesus said the man who commits sin is the servant of sin
in John 8:34.

Paul said we were either the servants of sin or the
servants of God in Rom. 6

In other words son of the devil or sons of God--

The Bible says that sin will do the followings for man-

- A. Defile make him unclean-- Isa. 52:11
- B. Break fellowship-with God & Light---Isa.59: 2
- C. No peace of heart--- Psa. 51:12
- D. Stop a xtian from praying- Prov. 1:24,28 Psa. 66:18
- E. Hold back spiritual prosperity of ch-- Prov. 28:13
- F. Sin brings defeat- Joshua 7:12,13

Sin Alienates from God----- cut off

Sin is root of social disorder and disruption-----

Sin produces suffering-----

Human suffering----- Work, toil, many son has
caused suffering of mother--

Sin produces death----- God said to Adam the day you eat you
will die. wages of sin death--

To develop our text we have given a foundation upon which to build---

WHAT IS THE MEANING OF THE TEXT ?

It says there have been false preachers deceitful workers who seem to be ministers of light yet all the time they are working for the kingdom of darkness.

SELF* MISREPRESENTATION*****

Man has the power to do this-- wolves in sheep clothing..

Preachers can do this-----

Deacons can do this-----

You can do this----- Play the part of the hypocrisy.

Motive: Gain Fame
Exalt self

Devil does this- always- Dresses up things to look attractive-

Will don't think he ought to send it back to God? We never use it here any more -

I. BEAUTIFUL SIN

Attractive Pictures displayed in windows---

Road houses bright lights-----

Churches - Social Clubs, how beautiful a Mutual admiration society - Morgue in Rel. ~~take on the day in his books~~ ~~members of God in profession only.~~

II. FINANCIAL SIN

Men do things for money----

Churches hooked in---

Some have dances to get money to pay Bldg. etc.

Bank - miss use money, Sully, check man

Man gives title as being assistant pastor of church credit in Jewrely store... Own city.

III. LEGAL SIN

Sale of Liquor-----

Letter last week. Woman distant state - left husband because of drink - if you can help him, do it - we loved and - but he would come home in rage. I tried to show my troubles - liquor makes old troubles swim & adds new ones.

Gambling----- Currituck

Pay for Education, roads etc.

IV. POPULAR SIN

Popular sin-- Dance:

young college girl comes home - flirts with off her cuffs & remarks given - it had a course in Sociology etc - The Bible is old stuff Dr. Charles Snow - Told of a mother who wanted her daughter to take up smoking since she is 21, feels she will be left out - she says do I want smoke or drink - clean habits. People will respect you for clean habits.

Colvin Coddage - to church - returned home, was ask what did the preacher say - He preached about sin: What did he say, I gathered from what he said he was against it - we are against sin -

V. ARTIFICIAL SIN

Artificial Rel.... Dr. Lu - said of artificial tears on hat.

Martin Luther - said it is one thing to say X is a Saviour. & quite another to say "He is my Saviour" The devil can say the first. But only

Boy 4 years old swears - adults laugh but they will see the harvest of hell in a few years.

B. Dancing and smoking

A young college girl comes home, flicks the ashes off her cigarette and remarks "Since I've had a course in sociology the Bible is old stuff"

Dr. Chester Swort told of a mother who wanted her daughter to take up smoking because she feels that her daughter will be left out and unpopular. The girl said I do not want to smoke or drink.

But it seems that popular sin rages today. People will respect you for clean habits and for right living. Some folks will do almost anything to be popular.

We are so sub-normal today that a normal strain would be called abnormal.

I feel like Calvin Coolidge when he returned from a church one day, he was asked what did the preacher say? He preached about sin. Well what did he say about sin? Coolidge said I gather from what he said he was against it.

Now we are against sin and it doesn't take sin to make people popular. Years ago in London there was a gathering of noted people. Among them was a famous preacher (Cesar Miland). A young lady played and every one was thrilled. This bold preacher went up after the music had ceased and said "I thought as I listened to you how the cause of Christ would be benefited if your talent was dedicated to Him. You know young lady, you are as much a sinner in the sight of God as a drunkard in a ditch or a harlot on scarlet street. But I am glad to tell you that the blood of Christ can cleanse you. The young woman snapped out a rebuke. He said lady I mean no offense, I pray God's Spirit to convict you. They returned to their home. The young woman retired but could not sleep. The face of the preacher appeared. His words rang through her mind. At 2 o'clock in the morning she sprang from her bed, took a pencil and paper and with tears dripping from her face Charlotte Elliott wrote that famous poem "Just As I Am Without One Plea"

not that the blood was shed for me & that thou shouldst come - oh save of God alone -

V. ARTIFICIAL SIN

This is what we call artificial religion. There is no such thing as salvation in sin but salvation from sin. Dr. Lee in his book the Bible and Prayer tells about

DRESSED UP SIN

II. Cor. 11:14

Intro:

January 27, 1903 a fire destroyed the asylum in London. 50 perished, 250 had to be pulled out of the fire. It was reported that some

1. laughed at the mention of fire
2. would not leave their beds at night
3. found hiding behind furniture from the fire
4. Believed rescuers had made the fire
5. Fought against rescuers
6. Every sane man and woman went to the rescue

not to have got sons of women found in the shade of heaven.

~~Temptations~~ Tonight we are to deal with sin. Men have been unpopular because they have preached about this subject. Men have been talked about because they have preached about it and even put to death because of it, burned at the stake. We should not try to hide sin or have any patience with sin. Jesus said the man who commits sin is a servant of sin. John 8:34. He also talked of transgression which means openly to commit error. He talked of crookedness which means crookedness, being twisted from the right way.

Paul said we were either the servants of sin or the servants of God. Rom. 6. In other words sons of the devil or sons of God. Paul said also that sin causes men to refuse to honor God. To engage their minds in vain reasoning and darkens the hearts of men. Causes men to worship the creature rather than the creator. Plunges men into all manner of uncleanness to such an extent that God must abandon them. Sin leads men to follow all their vile passions. Sin causes man not only to practice all evils but to take pleasure in seeing others practice them. The course and curse of sin held much horror as Paul saw it.

The Bible says that there are none righteous, none that understand, none that seeketh after God, the throat is an open sepchur, the tongue used for deceit, lips hold the poison of the serpent, mouth filled with bitterness, feet shift to shed blood, peace unknown, no fear of God. Also

- a. Defile and make him unclean Isa. 52:11
- b. Breaks fellowship with God Isa. 59:2
- c. No peace of heart Psalm 51:12
- d. Stops a Christian from praying Proverbs 1:24
- e. Holds back spiritual prosperity of church Prov. 28:13
- f. Sin brings defeat Jos. 7:12-13

Sin alienates from God - cuts off.
Sin is the root of social disorder.
Sin produces death. God said to Adam the day you eat you will die - the wages of sin is death.

WHAT IS THE MEANING OF OUR TEXT?

It says there have been false preachers, deceitful workers who seem to be ministers of light yet all the time they are working for the kingdom of darkness. Man has the power to do this, to be a wolf in sheeps clothing. You can play the part of a hypocrite.

The devil does this... *(In church) - some only attend when the singing is good - some say "Lord, I have sinned with you before" - some before Prof. Abraham & Dot - Abraham say you go your way & I will go mine.*
He always dresses up things to look attractive and beautiful
He says hide your sins, refuse to face your sin, treat sin lightly, trifle with sin. Not like the man who wanted a coachman. The first man said "I can drive within three feet of the side of a mountain, the next man said "I can drive within one foot" and the other man said I always drive as far away from the edge as I possible can. You may be sure he received the job. But the devil would have us to drive close to the edge, to call sin by pretty names. You don't call a shovel an agricultural implement do you?

Here's the way the devil does it. *Dresses it up -*

I. BEAUTIFUL SIN

By this we mean that he makes it attractive. If you will notice pictures in display windows or magazines. Roadhouses have bright lights. *Drive some man off -*

Crutch - Moody - depressed - Wife, Cathy burned in Blood Cane in study "God is Dead"
"I'm not here - the night, no voice for me to drive & say so Pan for you to live like it"
 Churches - also turn into social clubs and have what is known as a beautiful, mutual admiration society. What we call mungles in religion, worshippers of God in profession only a bunch of sand ballets. They laughed and said it wont work. They throw a cup of cold water on everything the church wants to do. Reminds me of the article telling

of Princeton when building a new library. They dug up an old fossil 175,000,000 years old. It was staying around in the earth doing nothing. So a lot of people in the church are content to be as they are. But I say who wants to ride in a cart when they have a car. All of this talk sounds beautiful but when some of you know more about movie characters than you know about Bible characters it sounds pitiful. *Movies - say foul, war - Crime Thomas, Baines*

II. FINANCIAL SIN

People will do anything for money. Money is very fascinating. Churches are hooked in by this same offer of satan. Some churches have dances to get money to pay for their expenses.
Men go down because of money. Man gives the title as being the assistant pastor of a church in our city so he could get credit in a jewelry store.
women sell them selves to get promotions etc.

III. LEGAL SIN

The sale of liquor Our nation is drinking more. Democracy is sold out to the liquor crowd. I am told that a politician of course this is just hear say, furnished free beer during the last election to get voters. One man said "I drink to drown my troubles" but liquor makes old troubles swim and adds on new ones.

Virginia Tails, 2 food - Broken Home - juvenile delinquency - 85% of all House Institution - 150 day way - Come from Broken Home

Gambling - Currituck - they say they are going to pay for education, roads and reduce taxes with legalized gambling. *20 yrs. from Today -*

Drunkard converted in the - Boy - went Chief Police said you took me up in prison - tell you are in prison house of sin & only X cash for you - converted - taken sick - Boy Play Marbles sum. for keeps - Rev. Marvel N.Y.

IV. POPULAR SIN

Lots of Christians deceive themselves in thinking because 20th century society has been revolutionized that the principles of God change. Its popular to:

- a. (Profanity) - which is stupid productive of nothing, never did any man the best bit of good. Reveals weak character and poor self control. Geo. Washington said to his troops, "We can have little hope of the blessings of heaven upon our armies if we insult God by impurity and profanity of ~~our~~ folly.

trying to smell an artificial flower. Did you ever smell artificial flowers? Just smell the flowers on a woman's hat sometime and you will get an exact idea of what a Christian life is with sin. It has no perfume. He goes on to say I have seen flowers that looked mighty good on a hat but they are no good for perfume. They were flowers without fragrance. So much of our religion is without fragrance. We need to get something concrete to stand upon. The story is often told of a famous preacher in Wolverhampton, ~~Kingdom~~ England, called late one night to the bedside of a dying sinful woman. The preacher who had once known and preached the gospel had departed from it for a more modern and social faith. He sought to console the woman with the goodness and kindness of God. The woman seemed dissatisfied and keep saying "But pastor I want to get into heaven". He said God will take you in. But my sin replied the poor unfortunat. I am a bad woman and I am afraid I will go to hell unless I am forgiven. This seemed to stir the liberal preacher and he replied, Don't be foolish woman, there is no hell, God is kind, he will look after you. The woman gazed intently at him and then solemnly ask "Are you the minister?" Yes was the reply. And you say there is no hell. If you were where I am you would know that there is a hell. Then her eyes became wild, she raised herself with great effort, on her elbows, she fairly shouted Preacher there is a hell and my feet are slipping into it now. Can't you help me? The preacher was alarmed, his new theology had no redemmy for so desprate a case so he returned to the old theology. He told her the simply gospel story of a God who so loved that he gave, of a cross which reconciled God to the deepest sinner, of the Christ who ~~bore our sins~~ bore our sins, of the blood that makes the vilest clean. The woman listened and in a short while by simple faith was under the blood and passed out of life serenly into the arms of Jesus. Nothing artificial can satisfy. Only that which has power and is real. As Martin Luther said "It is one thing to say Christ is a Saviour and quite another thing to say He is my Saviour." The devil can say the first but only a Christian can say the second.
