Capt O. S. Palmer. }

Sir I embrace the opportunity offered me by the Brigade Commander of making a statement relative to my appointment and assignment to duty as 2nd Lt in my Company. I would most respectfully submit the following-

On the 14th day of January 1862. I received special order No 24 dated 14th Br Woods Brigade Sullahoma, Tennessee, January 14th 1862, assigning me to duty as 2nd Lt Company "K" 45th Miss Regiment to take rank from the 1st of January 1862. The order was based upon the recommendation of the Regimental Commander, which recommendation was made in accordance with an order from Army 11th Br. requiring the Commander of Regiments to report the names of such non-commissioned officers and privates as had distinguished themselves for gallantry on the battlefield. On the second day of January 1862 on the battlefield I received notice through the Adjutant of the Regiment that the list had reported my name verbally to the Brigade Commander who would issue the order of assignment as soon as practicable. I subsequently learned that the order was issued under the direction of Maj Gen Sherman and with the sanction of Lt Gen Hardee. There was two others in the same Regiment who were assigned at the same time. Our names were sent forward to the War Department to be appointed by the President, but the papers have either been stopped or

3
have not been acted upon by the War Department, as I have never
received a Commission, other than the order of assignment
from Brigade G. H. D. 1862

REBEL ARMY
WAR DEPARTMENT
At regards the voice of the Company, I did
not solicit their sanction, as fourteen of them had been captured
on the battlefield of Newbern, and the remainder of the
Company were advised that I had been recommended
for appointment and the fact that they did not protest against
it was sufficient proof that they did not then oppose
the appointment. Since I was assigned to duty I have en-
deavored to do my duty as before, and there has been no dissa-
tisfaction evinced by any member of the Company until
Aug 15th at which time their first statement was sent up.
In conclusion allow me to say that I will willingly submit to the
decisions of my commanding Genl and will faithfully dis-
charge the duty I owe to my Country in whatever capac-
ity I am placed.

respectfully submitted

Aug 18th 1863

The above statement was made from facts gathered from the record of the company and Regimental Books as well as from members of the company who were present at the time of the appointment of said Sgt. I Read I was not present myself at the time The morning Report Book shows that he was reported as a non commissioned Officer until the morning of the 15th January 1863 he was then reported as 2nd Lieutenant and has been acting as such since that time It is a well known fact that A. M. McSowan was tendered the appointment of 2nd Lieutenant on the Battle field and was in command of the company until they reached Tullahoma Tennessee and was the choice of the company for said office There were only 13 men reported for duty for some time after the Battle of Murfreesboro 7 of those men who are now present state that he said Sgt. I Read was not their choice for 2nd Lieutenant The members of the company state that they have never been consulted by any one as regards their choice for said office

either does know or ought to

A. A. Gen.

Sir, All the requests of the members of
Company "B" 45th Miss Regt, which Company I com-
mand by reason of consolidation, make the following
statements, that on or about the 15th day of July 1863
at Tusculum in the state of Tennessee, John D. Read
a Corporal of said Company, was appointed 2^d Lieut.
of Company "B" 45th Miss Regt. by Brigadier Gen.
Wood, without being duly elected (the same being
contrary to the wishes of the Co) as the law ~~requires~~
There was at the time of the appointment 14 of the Co.
absent & being captured at the battle of Murfreesboro which
is the reason why the matter has not been called
to your attention before this. Now the said John D.
Read has held and still holds the office of 2^d Lieut.
in said Company which is contrary to the wishes
of the Co. Believing the proceedings in the case
to be a usurpation of power not recognized by
the law, I would respectfully ask you in their
behalf to declare the whole proceedings null & void.
