

So. Weymouth - March 28, 1948  
Pentecost Club - North Island - April 15, 1949.

a song that covered the nation--  
"God bless America, land that we love,  
Stand beside her and guide her  
Thru the night with the light from above.  
From the mountains to the prairies,  
To the oceans white with foam,  
God Bless America, my-home, sweet home."

I. AMERICA WAS FOUNDED AS A CHRISTIAN NATION.

Cesar built a nation upon power & failed  
Our forefathers left a land of persecution to find a land  
of free worship. when Pilgrims landed they knelt to  
thank God for the new country.

The Church at center of every new settlement.

Continental Congress faced great problems, Benjamin  
Franklin called on the members to pray.

The Picture of Moses was upon the first coin that was made  
in America.

Today our money still has the grand words "In GOD WE TRUST"

South America was settled by men who were seeking gold, but  
North America was settled by men who were seeking God.

Washington at Valley Forge- arm starving, freezing- but  
out in the snow Washington was on his knees.

*poem*

II. HOW GOD HAS BLESSED AMERICA.

- 1. With Natural Resources.
  - All kinds of fruits, crops..
  - All kinds of minerals- mines
  - All kind of trees-wood-
- 2. With Natural Beauty.

Any fifth columnist can go back home, if you don't like this country.

Every type of scenery-  
Beautiful coast- Rivers- Miss. Mts. Rockies  
Niagara Falls-grand cayon- yellowstone park- Redwood forest  
caverns- springs

3. With a good Government  
Free democracy  
No one man show-- vote

4. With freedom of speech & Press

You can say anything you please..  
Editor can write in paper with freedom.

Men can criticize the President over the air-in Germany  
Hitler would have had them in jail, Russia today

A preacher can not speak of the injustices in Russia.

5. With Religious freedom. - *First Men who Committed Through America  
on account of Religion - can show also.*  
No one can close you church because it does not  
agree with their belief.

In Russia churches have to comply with the Govt.

6. With Separation of Church & State.

7. With a country where everybody has a chance  
Edison was a poor boy-today world uses 1150 of  
his inventions.  
Rockefeller was a poor boy, but Amer. gave him a chance.  
Henry Ford a poor mechanic-great industrialist.  
Lincoln lived in log cabin-

8. With an ideal location.  
Best location in world- Europe, little countries, few  
Mi. apart-speak different language....

III. AMERICA NEED GOD TODAY

we have tried everything else pleasure, wealth

The doctor says to the sick man-if you will follow my  
directions, I will heal you... God says to any sick  
nation (2 Chron. 7:14)

1. America Needs God in Government.

There are great decisions to be made.  
Prayer should be made

2. America needs God in Business.

J.L. Kraft & others have found unusual success in taking  
God into their business

3. America needs God in her homes  
Grace Noll Crowell

4. Amer. needs God in her Churches.

Many I fear are so full of program etc-God is neglected

GOD NEEDS YOU\*\*\*

*God is waiting to Bless you.*

AMERICA NEEDS YOU\*

Needs Men who are worth something-- I am not speaking of money

Tell us a man of 21 is not worth what it cost to raise him,  
But when he is 30 he is rated worth 5,000.00. Not long ago  
a horse in Ky. sold for 785.000

1 cow in Dallas Tex. sold for 25.000 . Geo. Wash. Carver  
was sold in childhood for a horse.

Summing it up they say a man is worth 98¢, enough water  
to wash & pr. of blankets, lime to white wash a chicken  
copy sulphur to kill the fleas on a medium size dog, worth  
less then the price of an ingersoll watch in pre war days--

Did you ever see a dollar mark on a grave stone? Never

& if you are to be worth anything to America you must be  
worth something today.

1. Government needs men worth something---

There are great decisions to be made

2. What are you worth to yourself?

Not what the news paper says-- you know your purposes

3. What are you worth to your family?

Are you just the man who pays the bills--

4. What are you worth to your neighbors?

Would the community be better off without you--

America needs you today -- if you are to aid her you must  
be yielded to the highest and noblest way of living..
