THE QUEEN BEE

There is always power behind the throne.

That puts "spizerinktum" in a Drone. And believe you me, she's a dainty Bee,

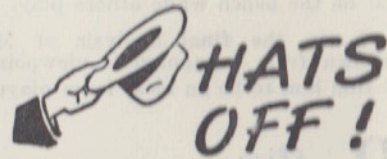

Cooking his grub or brewing his tea. She is the Queen of the bee gum hive, Located down on Walden Drive.

She keeps a bee line on his hats, As well as bees waxing his pasal of cats.

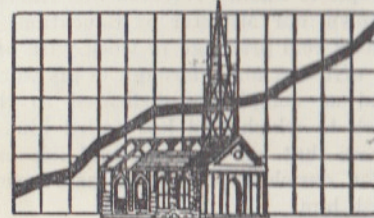

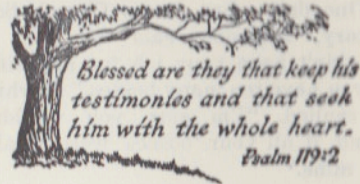

When he is tempted to sting, The lovely flower folds him beneath her wing.

For you see Carol is a real honey, Even though Harvey spends all the money!
