WHAT OUGHT TO BE OUR APPROACH ?

I. BIBLE EXPLAIN ITSELF

People converted through simply reading the Bible themselves.

A study by the common man-influence is tremendous.

Woodrow Wilson said give the Bible to the people...

Our interpretations become our preconceived notions, & unchristian attitudes.

II. LET EVERY MAN BE HIS OWN INTREPRETER

Scholar and common man interpret on his own level

Idea preacher ought to preach this way, open the Bible and the text eye fell upon was the text for the day---

- 1-An Judas went out and hanged himself.
- 2.Go and do thou likewise.
- 3.What thou doest do quickly.

III. TAKE LITERAL INTREPRETATION

Jehovahs withn ss-etc...

Eric Rudin European Sec. BAPT. W. A.

Baptist battle for liberty-Deacon told how chased from house to house saying one day they will give up. "We never will"
Spain Tradition, Political System, Protestants considered foreigned.

Main thing-Baptist do not speak about their Possibilities and Opportunities-they talk to much about difficulties!
Sounds like some Baptist I Know!

THIS IS OUR DAY to intrepert the Bible & to do so in the interest of peace.

What should be our interest in times like these

Intrep--& Living the Bible!

Some accuse the Preachers of not using the B

This accusation may be broken down:

- (1) Pressure to be Popular--suits the crowd..

→ I. THEY HAD TO HAVE HELP V.15

God stands ready to help any one who seeks
to know the meaning
The Lord Himself was present and came to
these seeking minds.

When he left-the (Holy Spirit) came-he will
lead---Christian often says it is an inner
voice.

Spirit given to (every believer) and no
man can receive the living word until Gods
gives it.

God turns the pages and unseals the book.

→ II. BEGAN WITH MOSES V.27A-

Only the entire Bible will do.....
It is a big book-not understand like a

Jesus Christ himself--things concerning
himself.
All O.T. points to his coming

Stand by Jesus

man came to (Billy Sunday) Where did Cain get
his wife? You wont be the first man who went
to hell worrying about another mans wife."

Not time to persue further, only to say that
we need to come back to Jesus. The (Holy Spirit)
does not reveal truth apart from Jesus. The more
we become like him, love him, will we know "
about the Bible..

→ IV. THEIR EYES WERE OPENED V.31

I recall a storie told by Moody pastor

Space program in our country. They took a map.
A small steel ball and painted it with water
color paint..placed the ball on west Palm beach
the nearest star in the heavens would be seattle
in state of washington..in relation to the steel
ball in west Palm beach...the scientst went on
to point out that the distance traveled by the
Russians was one tenth of the thickness of the
water color paint on the steel ball.

→ V. SHARED MESSAGE WITH OTHERS V.33

Light in the Bible comes to us and we share
it with others--- Thats why we are in the
fellowship of the church

The N.T. was written to the churches to be
read in the churches, and in the churches of
Jesus the word becomes alive.

The church belongs to hime If we seperat
ourselves from the church; We Walk Alone.'

Jesus reveals the whole Bible--
