JESUS WEeping

Luke 19:41-48

Intro: Great Ch. story of Zacchaeus-triumphant
entry

I. BEHELD THE CITY . v 41

1. Outburst of adoration. v.36-37

2. Saw the city. v.41
sees the Temple-splendor....wall

3. Wept over it. v.41

Not sign of weakness...

Wept over Lazarus

Was it because he was to be crucified? No.

Wept over the city.....

Think of the tears shed today!!

you may not see many of them.. I see tears
because somebody has sinned.. wives weep
over husbands who sin...

Some tears shed because health is gone, or
money, or home...

Esau wept because he sold his birth right

Peter wept because he sinned, denied the Lord

II. JESUS WAS SAD BECAUSE: v.42-48

1. The People of Jer. were (Lost.) 42-43

Living in sin---X wept over what they were
rejoicing in.

LOST--headed for hell..

Ill. of Lost--Blind Bartemias, had eyes
but could not see

man of the tombs, made life
miserable for self and others

Awful thing to be lost--in this world, in woods
etc. but lost in sin...

Why do I stand here today--believe men are lost
& I have something will help them.

2. People had missused God's House. v.45-46

House of Prayer---

place of buying and selling

Hurt Him to see it neglected, abused, trading center
blown out it.

That we would agonize rather than criticise.

a 1,000 ^{300 lbs} grams of powder scattered & fired would
produce no concussion - placed together they
would lift up a mt. & cast in sea - even so
the whole church filled with faith more this village.

Heard - Catholic - give child's to be a Catholic

Jew - - - - - Jew

Protestant let him alone, don't rush him,

let him go where he wants etc.

if he wants to go. A T.W.-OK better be
here than have young girls on street smoking etc,
I know what I'm talking about!!

3. People had let their day of Opportunity Pass.

(Things which belonged)--- Faith, righteousness, rep.

This thy day--Last opportunity

Hid from thy eyes--By appointment of God's Judgment

Eyes closed to any opportunity

concealment-hid

4. impending Rain of the City.

rejecting X--day will come--trench, enemy shut
off

day of visitation

one thing enough to condemn you - rejecting X - look at a
watch - 10 or more whels - yet if you broke one wheel it would
stop.

Suppose you were hanging over (cliff) by long chain
& some one smashed 10 of the links - you'd fall - if only
one link still fall -

don't make mistake - do this one thing - accept X -
