

## II. Journeys of The Father's heart.

I had many sons - loss of one -  
See father has 10 sons, one dies - why weeps  
tomb all his children

Rich man had no children - poor man  
had 7 - give me one of your children -  
give house, land, & money - They went  
to bed room to choose child. Oh he is just  
baby, next a little boy crying self to sleep  
just must keep him, next a child who had  
suffered greatly cannot let him go, next  
bed she always has a smile, she looks like  
her mother, to eldest son so trustworth y  
Fathr wrote letter said he would work a  
little harder

is there a father anywhere who would give  
up a child?

Some explorers of Egyptian tombs found pla  
of little child - words - Oh, my life, my love,  
my little one! I would God I had died for  
in thy stead! They took their hats off &  
sealed the tomb back

When Calvin Coolidge was in the white hous  
one of his sons died said - "He took the  
glory of the presidency away with him."

You may loose you boy or girl some day  
1. Could you stand it? 2. Have you taught  
that child the way to God.

### III. Retribution of a past sin.

wept - knew he was paying the price for  
his sin... many sons go wrong, and parents  
have to say it was because of my sin
