

Nathaniel James Babb

This recognition is dedicated to Nathaniel James Babb, whose christian stewardship is a joyful giving of the whole person for the spread of God's kingdom.

Our Lord might have done the work of the Church alone, but He has commissioned His church to share with Him in the full ministries of the kingdom.

N.J. was born October 29, 1904 and became a vital part of South Norfolk Baptist Sunday School in 1916,

Whereas, serving as Sunday School Superintendent during years of growth, and teaching study courses,

Whereas, filling the office of deacon with effective cooperation and sincerity,

Whereas, giving much time in service on church committees,

Whereas, the stewardship of his money has followed the New Testament plan,

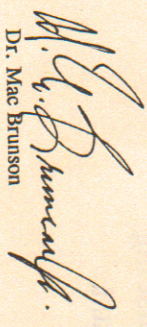

Whereas, his family - wife, Martha and son, Robert worked at his side,

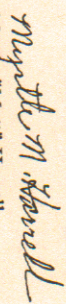

Whereas, in recent years he has led Adult Four with success,

Whereas, N.J. has shared inspirational poems, from memory, giving windows of light to Sunday School members (he began at age 18 memorizing poetry), we appreciate the magnitude of this blessing.

Therefore, be it resolved that Adult Four Sunday School express love and appreciation to a devoted layman for his seventy five years of steadfast faithfulness in our fellowship.
