EVERY MEMBER TITHING THREE MONTHS—Oct., Nov., Dec.

OVER 100 different people were enrolled in our Training Union study course last week. Thirty-nine examination papers were turned in. We quote some answers to the last question: What has this study meant to me?

"I have learned that God expects the best in us as his followers and we must put first things first."

"It has given me inspiration to enter Training Union and give it my very best efforts."

"I have learned how deeply our church is in need of leaders and trained workers."

"A real blessing."

"It has made me read my Bible more."

"I thought of T. U. as just another meeting but I now realize that T. U. is one of the most important tasks of the church."

"This course has opened up a new train of thought in my mind. I had not really understood the value of a definite training program for the enrichment of life and service."

"Being a new member of the church it has given me a closer feeling to the church, and a better understanding of what is expected of me as a member."

"T.U. will raise the level of Christian education of our church members."

COME TO TRAINING UNION TONIGHT AT 6:15
