That one sin was unbelief - Gen. 19:17
one will send soul to Hell -
Sinners perished - not because of number of sins but nature of sin
Heb. 12:2.
Holon & live - one sin -
One crack in a tank + wind will blow out the light - one leak will sink a boat, one wound may kill the body - one sin the soul.
Woman - night - drink - spider had fallen in bucket. - bit her internally - physician worked with her for hours - finally said - little spider roll itself up & float on water -

one man said I'd give the world to have you experienced. The woman replied that's what it took - I gave up all - but the quick ask your ark
