

This pictorial directory is another co-operative effort of the membership of South Norfolk Baptist Church. It is my sincere hope that as we look through these pages that we will become better acquainted with each other, and that the fellowship would build and strengthen. As we know each other better, we will love each other more.

Beyond that, I have an even greater aspiration for our fellowship that cannot be captured by a camera or conveyed through pictures. First, that we would exemplify those genuine marks of a New Testament church. Secondly, that we would reach out to win Chesapeake for Christ. In the church, there is that warmness of Christian fellowship in which Christians are nurtured, loved, encouraged, and taught The Word. In our world, we bear witness of the light that is within us, which is Christ Jesus our Lord.

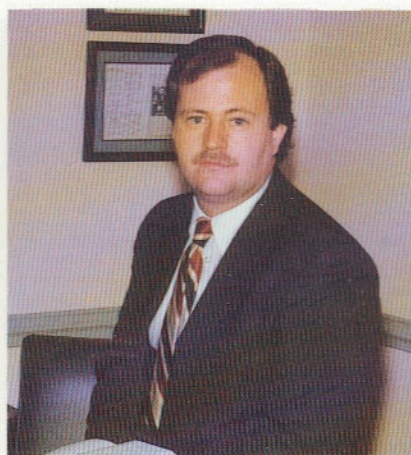

A pictorial directory is essential in a dynamic, growing fellowship like South Norfolk. We need to know where we've come from, and where we are going. The past has been glorious, but the future looms even brighter in view of our unlimited potentials.
