

SLEEP: PHOTO STUDY

A block of instruction on this subject should include discussion of the pictures, including:

- Position of the sleeping soldier(s)***
- Weather affecting sleep***
- Type of terrain affecting sleep***
- Working dogs and the soldier asleep***
- Accessibility of the soldier's weapon***
- Use of drugs***

Photos of soldiers asleep are taken from different countries and conflicts. Included are: Civil War, WW1, WW2, American, British, Australian, German, Chinese, & Russian.
