

The blood solves our sins and the cross of Christ is more than to be worn around a woman's neck, more than a crown for a church steeple, more than an ornament for a church altar, it is the way to heaven. Having therefore brethren boldness into the holiest by the blood of Jesus.

The day of Pentecost - Peter preached on the cross, on the blood as the way to God.

John Green helped to establish libraries, homes, fed the hungry for ten years. He left the project in dispare saying they will still gamble in sin.

William Booth came to the same section with a message of the cross and the blood of Christ as the way to heaven and thousands of lives were made over again.

IV. THE BLOOD IS THE ONLY WAY TO HEAVEN

"And whosoever liveth and believeth in me shall never die. Believest thou this?"

In the book of Revelation we read "These are they which came out of the great tribulation that have been washed in the blood of the lamb."

A father had two sons. One took his portion, went off and revelled in sin, and was on the rim of ruin. He reasoned with himself and repented and found his way back home. He received a great welcome upon his return.

Most people like to get this decision settled.

A college professor in teaching a science class in the study of human blood, closed the hours meeting by writing on the board "The blood of Jesus Christ his Son cleanest from all sin." I John 1:7

Charles Finney - Revival - Detroit. Man ask him to go home and talk to him and so he went four blocks down the alley unlocked the door, went into a room with a desk and two chairs and locked the door. He says now I don't intend to harm you, only to ask you some questions. In your sermon you said the blood of Christ cleanest us from all sin.

Yes I did say that. 1. gun killed four people, two by me and two by the bartender. Is there any hope for a man like that? 2. I own this saloon - women have come begging me not to sell liquor to their husbands, their babies need the milk. 3. Behind the bar is a gambling room. We take them there and finish getting their money, Everything is loaded.

4. Big stone house - have a wife and 11 year old daughter. Lied to my wife, told her I was a broker met in New York brought her here. I have beaten them - is there any hope for a man like that? Pray for me. 7: A.M. the next morning he went home. His wife called him to breakfast - called child

Every man needs to know the way to heaven because of sin. The Pharisee who had strong influence in the Sanhedrin who in his doctrine ascribed all things to fate, who interrupted the law with care, and said that man did not break the Sabbath if he rode upon his mule but if he carried a switch to increase the pace of the beast he was guilty because he placed a burden upon it. He thought of himself as religious, had great faith in himself, no personal need of God. Christ denounced him. Today some of us place a low estimate upon sin but I challenge you to

Journey - want to know - Road maps to

Go outside the Garden of Eden - look at Adam - miserable Go see Cain - my punishment is greater than I can bear. Go hear Noah preach - every thought of this generation is evil. Go hear Jacob as he pleads with the angel Jehovah "Bless me I must meet Esau"

Go hear Achan cry out I have sinned. Go hear Moses condemn Israel for making a golden calf. Go hear Isaiah cry out "The whole man is sick" Chp. 1 V 5-6 Go hear Ezekiel compare Israel to a valley of dry bones. Go hear Daniel declare to the King, Thy art weighted in the balances and found wanting.

Go hear Hosea preach - your heart is divided. Go hear Jonah offer Minivah 40 days to repent of sin.

God has done many wonderful things.

- Sinai where he spoke with glory and rendered the commandments.
- Horeb where the bush burned with flame and Moses called.
- Pisgah where Moses saw the land God had given Abraham.
- Carnel where God answered by fire.
- Mirah where Solomon used 160,000 men and toiled 7 1/2 years to build the beautiful temple.

Olivet sweet farewell memories as Christ went back to God. Calvary which is the skyscraper of them all. Here is where we pause tonight. Here as Calvary we find the way to heaven. Here we see Christ died for our sins according to the scriptures. Here we see as Moses lifted up the serpent in the wilderness the cross of Christ must be lifted up.

THE BROAD WAY

Men can pass through with all their sins. Its a crowded way and its easy to go down hill.

THE NARROW WAY

Jesus tells us "Strive to enter" which means to agonize. He says the gate is too narrow for you and your sins too.

In order to enter we must come through the cross. Why the blood anyway? Lev. 17:11 Take the blood out of the body and life is gone.

Old Testament - Abel - Noah - Abraham, The Priest his ear to hear God's voice, his hand to work for God, his foot to walk in righteousness.

NEW TESTAMENT - I Peter 1:18 Redeemed by blood and not by gold or silver. When we deny the blood we deny the Bible and human experience.

Tower of Bable. These men sought to build a ladder up to heaven. They wanted to make a name for themselves and reach heaven by an earthly foundation. The cross is the only way because:

- a. Supreme declaration of God to man
That we have sinned and God's cares
- b. Supreme work of God for man
Sacrifice and death of his son.
- c. Supreme offer of God to man
Salvation

We need to (show men) the way. Christians should be active.

David Brannard missionary to Indians, weak, rheumatism waiting in his tent for death was found kneeling on the floor teaching an little Indian girl her A.B.C's. A man ask why such a great missionary spent his time teaching a little Indian girl. I will be happy if with my last breath I will be premitted to teach this little Indian girl her A.B.C.'s in order to point her to Christ.

Carville said we need somebody who knows God by more than hear say. If we would know the way to heaven then we must know that the blood of Christ is:

I. OUR SUBSTITUTION John 1:29

As Abraham sacrifice of Isaac I read the other day of a farmer who was found kneeling at the soldiers grave near Ashville. Someone came by. Was your son buried here? No during the war with the states my family was sick, I was drafted. One of my neighbors came over and said I will go for you as I have no family. He went off was wounded, carried to the hospital, latter died. I have come many miles that I might write these words over his grave, "He died for me" And so the blood of Christ is the substitute for sin, which cost him much suffering.

Christ death - the greatest preacher - inspiration of scripture, things beautiful, creator of the world.

II. THE BLOOD IS THE WAY BECAUSE IT GRANTS FORGIVENNESS

Col. 1:14 In whom we have redemption through his blood even the forgiveness of sin. *Typical Smith Falls - 2000*
One morning, heavy shelling, a piece of shapnel hit Bert. Tiny Jim and a friend laid Bert on an emply sand bag and an old coat. Tiny Jim heard a voice say "Can you tell me the way to heaven?" The way to heaven, Sorry Bert I don't know. I'll ask the other fellows. And so the question was relayed down the line of men and when they came to #17 he said "Yes I know the way but I dare not leave my station." He pulled out a new Testament and turned to John 3:16. He said take a pencil and encircle that and tell him thats the way to heaven. The message and New Testament was passed from man to man. Tiny Jim took it and told Bert of the way. He read it ~~over~~ over and over again into the ears of Bert. A peace come over Bert's face as he repeated whosoever", he gasped and was gone. The blood of Christ is able to forgive any man, anywhere at anytime. *Wright - Wilson - Carroll - 2 days found out I was a sinner you he said*

III. THE BLOOD IS THE WAY BECAUSE IT CLEANSSES

This is one thing we need, to get rid of sin. As a coal miner whose eyes are clean by tears so there is a fountain filled with blood drawn from Immuals vains.

Upon Christ Almighty vengance fell which would have sunk a ~~world~~ world to hell. He bore it for a chosen race. And thus became our hiding place.
