

The full horror of fighting in the trenches revealed: Fascinating colourised WWI pictures bring the 'the war to end all wars' to life

- **Jon Wilkinson's new book, 'The Great War Illustrated in Colour', shows readers detailed scenes of warfare**
- **Carefully colourised images reveal the intimidating sights of the assault ships used by the Royal Navy, the bodies of soldiers strewn in perilous trenches and troops advancing through barbed wire to attack the British**
- **Mr Wilkinson said 'adding colour gives the reader a sense of what it would have been like at these places'**

By Bridie Pearson-jones and Phoebe Southworth For Mailonline

Fascinating new pictures show the horrific realities of World War One - in colour.

Jon Wilkinson's new book, 'The Great War Illustrated in Colour', shows readers the heart-breaking scenes of warfare in impressive detail.

Carefully colourised images reveal the intimidating sights of the main assault ships used by the Royal Navy, the bodies of soldiers strewn in perilous trenches and troops advancing through barbed wire to attack British forces.
