SENTENCE SERMONS:

"A religion that does nothing, gives nothing, cost nothing and suffers nothing, is worth nothing."

"The man who waits to do a great deal of good all at one time will never do much of anything good at any time".

"A delay of God to answer prayer is not a denial. God may put up a detour to save us from a fallen bridge or a rock road."

"People make a living by what they get, but they make a life by what they give."
